Class Search Tips

General tips

You can use either Basic or Expanded search criteria when searching NMC's class schedule.

Basic Search

Basic Search has just a few options.

Notice the Term for which you are searching is displayed near the top (circled below):

⚙️ NMC Self-Service

[Registration Menu](#) • [Registration](#) • [Select a Term](#) • [Browse Class Schedule](#)

Term: Spring 2022

Subject

Course Number

Keyword (With Any Words)

[Clear](#) [Expand / Contract Search Options](#)

You can add another criteria. Note: the search will return results matching ANY one of the search criteria.

Enter the criteria for which you are interested and then use the **Search for Classes** button and the classes matching your criteria will be displayed. The above search will result in a listing of all Mathematics classes offered for the Spring 2022 semester.

Hint The Subject field is a list. You can either click in the box and select from the list, or just start typing in the field. Once you have typed two characters, the list of subjects that potentially match those characters will be listed, Click on the subject to add search box. You can repeat this and add several Subjects.

Hint Use the Keyword field if you want to search course descriptions, titles, etc... for a word or more.

Hint You can click on or hover over Course Number and Keyword box to get more information.

Hint If you ever get results you weren't expecting, use Clear to start creating a brand new search.

Hint Click on the Class Title in the search results to get more information on an individual class.

If the Basic search does not get specific enough for what you're looking for, select [Expand / Contract Search Options](#) and you will have many more criteria options. Select it again to return to the Basic search options.

Expanded Search

The Basic search options with additional options show in the Expanded search. Use the scroll bar on the right to view the entire list of options available.

Searching a Specific Science Class w/Lab

If you are searching for a specific science class and enter the department and the number, you only get the lecture, not the lab. In order to get both the lecture and lab, you can enter % after the course number; e.g., Subject: Biology Course Number: **106%**

The screenshot shows the 'NMC Self-Service Registration' interface. The breadcrumb trail is 'Registration Menu > Select a Term > Browse Class Schedule'. The page title is 'Browse Class Schedule'. Under 'Enter Your Search Criteria', the term is set to 'Fall 2020'. The 'Subject' field contains 'Biology', the 'Course Number' field contains '227%', and the 'Keyword (With Any Words)' field is empty. There are 'Search', 'Clear', and 'Advanced Search' buttons.

Once Search button is selected, the results show the lecture followed by the lab connected to it.

The screenshot shows the search results for 'Biology' with 'Course Number: 106%'. The results are displayed in a table with columns for course name, department, course number, section number, schedule, location, room, start/end dates, staff, and enrollment status. The results are as follows:

Course Name	Department	Course Number	Section Number	Schedule	Location	Room	Start Date	End Date	Staff	Enrollment Status	Notes
Human Biology Lecture	BIO	106	1663	09:40 AM - 11:10 AM	AM Building	Health and Science Building Room: 113	08/22/2020	12/12/2020	Main Staff (Primary)	7 of 24 seats remain. 24 of 24 waitlist seats remain.	This class is comprised of a lecture and a lab. You must also enroll in lab section #1664. This course is intended to prepare students seeking a career in a health profession field. This course does not meet the requirements for the Nursing Program.
Human Biology Lab	BIO	106L	1664	01:00 PM - 03:00 PM	PM Building	Health and Science Building Room: 113	08/22/2020	12/12/2020	Main Staff (Primary)	7 of 24 seats remain. 24 of 24 waitlist seats remain.	
Human Biology Online	BIO	106	1967	ONLINE	Building: Online	Room: CLASS	08/22/2020	12/12/2020	M Staff (Primary)	FULL: 0 of 23 seats remain. 22 of 23 waitlist seats remain.	Course format for section #1967 includes: online. This course is comprised of a lecture and a lab. You must also enroll in lab section #1968. This course is intended to prepare students seeking a career in a health profession field. This course does not meet the requirements for the Nursing Program. Searching for ENG111 of ENG111 + 11

Enter English in the Subject field.

Enter **%11** in the Course Number field and click Search.

The screenshot shows the 'NMC Self-Service Registration' interface. The breadcrumb trail is 'Registration Menu > Select a Term > Browse Class Schedule'. The page title is 'Browse Class Schedule'. Under 'Enter Your Search Criteria', the term is set to 'Fall 2020'. The 'Subject' field contains 'English', the 'Course Number' field contains '%11', and the 'Keyword (With Any Words)' field is empty. There are 'Search', 'Clear', and 'Advanced Search' buttons.

You will see all the ENG 111s and ENG 111s paired appropriately. They will be followed by the ENG 111s not paired with ENG 111s. (see below)

Are you struggling with getting no classes when you search for MTH 19 in Self Service? If you enter a space in front of the 19, you will locate these classes.

P.S. This works when entering MTH 19 in Plans as well.

Finding classes that are still available for registration

Has the semester started and you trying to find classes that are still available to add to your schedule? Use the **Available to Add or Waitlist** option on the Expanded Search Options:

The screenshot shows the NMC Self-Service registration interface. At the top, there is a green header with the NMC logo and the text "NMC Self-Service". Below the header is a breadcrumb trail: "Registration Menu • Registration • Select a Term • Register for Classes". The main heading is "Register / Add / Drop Classes". Underneath, there are four tabs: "Find Classes" (which is active), "Enter CRNs", "Plans", and "View Your Schedule". The "Find Classes" section contains the following elements:

- Instruction: "Enter Your Search Criteria - hint: click on or hover over a field below for tips"
- Link: "[More tips for searching for classes \(new window\)](#)" with an information icon
- Term: "Term: Fall 2021"
- Search options with input fields:
 - Keyword (With Any Words)
 - Keyword (Partial Words)
 - Keyword (Exact Phrase)
 - Available to Add or Waitlist:
 - Subject and Course Number
