DUAL ENROLLMENT

Add NMC college courses as part of your high school experience.

SCHOOL DISTRICT PAYS

Depending on your residency, tuition could be free to you.

FAST

Get credit in one semester, instead of a year for most AP classes.

FLEXIBLE

Take classes you choose on campus, online, or sometimes even in your high school.

Some students **start college as a sophomore** thanks to dual enrolled classes in high school.

ALL ACCEPT 15 NMC INTRO COURSES

EARLY COLLEGE

Your college connection can start as early as your sophomore year in high school.

SCHOOL DISTRICT PAYS

Depending on your residency, tuition could be free to you.

FAST PROGRESS

Get your associate degree just one year after high school

FULFILLING

Want the full college experience? NMC offers on-campus housing in 13th year, meal plans and many student groups and activities.

After Early College, you can transfer to a four-year school potentially **DEBT-FREE!**

Or, you can go **STRAIGHT TO WORK** without needing to pay back student loans.

Usually juniors and seniors. Some sophomores and freshmen may qualify.

School district pays. Depending on your residency, tuition could be free.

Flexible course formats can be in-person on NMC's campus, online, or sometimes taught right in your high school

Save money and get ahead on your college degree, perhaps starting courses in your major sooner

High school sophomores apply in the fall and no later than start of their junior year

An associate degree whose tuition costs are paid for by your local school district

Junior and senior year of high school, plus one more year after graduation

Get ahead as fast as possible for the lowest possible cost.

TRANSFER COURSES

NMC credits go where you go, making your 4-year degree less costly.

SAVE MONEY

NMC's classes cost about one-quarter of a four-year school's tuition

SECURITY

Be confident that your NMC credits will transfer to your chosen four-year school

BEST OF BOTH WORLDS

Want the full college experience? NMC offers on-campus housing, meal plans and many student groups and activities.

ASSOCIATE DEGREE

A two-year path to future success.

INCREASE

your earning power in two years or less

EXPLORE

your interests—60 programs to choose from

AIM UPWARD

move from an associate degree on to advanced degrees

\$400,000.

Over your working lifetime, that's what you give up if you stop school after a high school diploma.
-according to economic research.

In northern Michigan, 43% of jobs require more than a diploma but less than a bachelor's degree,

- according to a 2021 study.

Some unique programs, can be even shorter than a two-year degree, or stack toward one.
