Geothermal Exchange System Design, Procurement, and Installation Services  
RFP/RFQ  
**Clarification #3**

**Clarifications:**

(March 14, 2025)

This clarification is being provided to provide additional information for reference:

1. The address of the Power House referenced in Exhibit #4 is 1580 College Drive, Traverse City, MI 49686. This is to provide clarification for the location of the project site visit. For more information of the Front Street Campus, including the addresses of the additional buildings referenced in the RFP/Q please visit:

<https://www.nmc.edu/about/maps/map-front-street-campus.html>

2. Visit Attendee list from the 3-14-2025 site visit attached.
3. Historical Drawing files have been added to the project for reference. These project files include the following:

02-Scholars Hall  
03- Osterlin  
04- Power House  
05- Tanis  
06- Biederman  
07- Health Science

These files will also be shared via a google file link for those attending the bid site visits. Please contact the project Contact to be included on the distribution of the share file.
