

# NMC “Rockin into Spring” Benefit Concert

NMC Audio Tech Presents: **Racing Mount Pleasant (with Trillium Groove)**  
**Live @ Milliken Auditorium Saturday, April 12th, 2025, from 7PM - 9PM**

The NMC Audio Tech program is proud to be hosting our annual Spring Concert at Milliken Auditorium. This year, we are excited to be featuring Racing Mount Pleasant (formerly Kingfisher) as our headliner, with Trillium Groove, a band made up of former NMC students, opening the show. This event will be entirely student-produced, and is an opportunity for our Audio Technology students to gain valuable hands-on experience. **Proceeds from ticket sales will go toward scholarships for NMC students. Any donation amount is appreciated. The following are our Sponsorship Tiers:**
