MARINE TECHNOLOGY

NMC OFFERS:

THE FIRST AND ONLY BACHELOR OF SCIENCE DEGREE
IN MARINE TECHNOLOGY

ENGINEERING TECH AAS WITH MARINE SPECIALIZATION

NMC's Marine Technology program bridges the gap between education and industry. The bachelor's degree is the only one of its kind in the world and has a 100% job placement rate. You'll learn marine-related technical competencies along with project management skills necessary to work on-shore and off-shore.

Located at the Great Lakes campus on Lake Michigan, the Great Lakes Water Studies Institute (GLWSI) at Northwestern Michigan College is strategically positioned to engage individuals and organizations, both locally and globally, in advancing skills, knowledge and understanding of the world's dynamic water resources.

WATER QUALITY & ENVIRONMENTAL TECHNOLOGY

NMC OFFERS:

ASSOCIATE IN APPLIED SCIENCE, WATER QUALITY
AND ENVIRONMENTAL TECHNOLOGY

The Water Quality and Environmental Technology program is designed to train the growing workforce needed to restore and remediate environmentally-compromised sites, focused on groundwater across the state of Michigan, throughout the Great Lakes region, and the U.S.

Indoor training facility at NMC.
